0. INTRODUCTION.....	1
1. SCOPE.....	1
2. REFERENCES.....	1
2.1 European Standards.....	1
2.2 International Standards.....	2
2.3 IRATA	2
3. DEFINITIONS.....	2
4. LEGISLATION.....	4
5. GENERAL PRINCIPLES FOR A SAFE AND EFFECTIVE SYSTEM OF WORK USING ROPE ACCESS	4
5.4 Reporting of injuries, diseases and dangerous occurrences	5
6. SELECTION OF WORKERS	5
7. TRAINING AND SUPERVISION.....	6
7.1 General	6
7.2 Training	6
7.3 Supervision	7
8. SELECTION OF EQUIPMENT	8
8.1 General	8
8.1.1 Risk assessment	8
8.1.2 Standards	8
8.1.3 Compatibility	8
8.1.4 Knowledge of equipment.....	8
8.2 Clothing and protective equipment	8
8.3 Suspension and work positioning equipment for personnel.....	9
8.3.1 General.....	9
8.3.2 Work positioning equipment.....	10
8.3.3 Fall arrest equipment.....	10
8.3.4 Travel restriction (work restraint) equipment.....	10
8.3.5 Limits of equipment use	10
8.3.6 Harnesses & workseats	10
8.3.7 Connectors (karabiners, safety hooks, screwlinks, etc.).....	11
8.3.8 Rope adjustment devices: descenders	11
8.3.9 Rope adjustment devices: back-up devices.....	11
8.3.10 Rope adjustment devices: ascenders	12
8.3.11 Ropes	12
8.3.12 Webbing	13
8.3.13 Anchor slings.....	13
8.3.14 Cow's tails	13
9. CERTIFICATION AND TRACEABILITY OF EQUIPMENT.....	13
10. INSPECTION OF EQUIPMENT	14
11. CARE AND MAINTENANCE OF EQUIPMENT	14
11.1 Textile equipment (ropes, webbing, harnesses etc.).....	14
11.2 Metal equipment (connectors, descenders, ascenders, etc.).....	15
11.3 Disinfection	16
11.4 Marine environment	16
11.5 Storage	16
11.6 Equipment withdrawn from service.....	16

11.7	Modifying equipment.....	16
12.	METHODS OF WORK.....	16
12.1	Suitability of rope access versus other means of access.....	16
12.2	Safe working methods.....	17
12.3	Working practices.....	17
12.3.1	Work teams.....	17
12.3.2	Pre-work checking (or at the start of each day).....	18
12.3.3	Work procedure.....	18
12.3.4	Rest periods.....	19
12.3.5	Rescue.....	19
12.4	Use of tools and other work equipment.....	20
12.4.6	Small tools.....	20
12.4.7	Power leads.....	20
12.4.8	Large powered tools.....	21
12.5	Communications systems.....	21
12.6	Use of temporary suspended work platforms and supports in conjunction with rope access techniques.....	21
12.7	Protection of other people.....	21
12.8	Provisions of suitable welfare facilities.....	22
12.9	Completion of work.....	22
12.9.1	Shift work.....	22
12.9.2	Termination of a job.....	22
APPENDIX A	23
	Recommended list of information to be on site.....	23
APPENDIX B	24
	The effect of wind and height on working times.....	24
APPENDIX C	25
	Further reading.....	25
	Standards.....	25
