Rope Sure – Insurance for Rope Access Technicians

Rope Sure has been created in response to the demand from those working in the Rope Access industry for a range of straight forward, easy to understand, insurance products made specifically for those working at height to IRATA guidelines.

Through extensive consultation with IRATA, Rope Sure has been able to demonstrate that insurance for the Rope Access industry poses an extremely low level of risk and as such, has been able to secure an exclusive with Novae, one of the worlds most renowned Syndicates within Lloyds of London.

Rated A (Excellent) by A M Best, Novae offers an excellent level of security coupled with specialist claims handling abilities to deal with liability claims quickly and efficiently. Whether it's arranging rehabilitation for injured employees to negotiating with third parties over damaged property, Novae delivers every time.

Rope Sure offers the following products:

Rope Sure 5

This product has been created to provide Employers and Public Liability cover to those individuals working for themselves, either as sole traders or via one man limited companies as well as to companies and partnerships employing up to 5 technicians.

Wide policy wording with options to cover:

- Onshore and Offshore
- Work using heat
- Work at hazardous locations including railways and airports
- None Destructive Testing

Rope Sure +

- Providing liability cover for 5 technicians or more on a turnover and wage roll declaration.

Rope Sure Elite

- Providing liability, property and professional indemnity cover to training centres on a turnover and wage roll declaration.

Rope Sure Consult

- Providing professional indemnity cover to those giving any sort of advice including none destructive testing and health and safety consultancy.
